We recognize that there is a huge need for quality summer camps in the community. More importantly than ever we need to get our kids back involved with sports. Being stuck indoors with so many restrictions has had us all cooped up. Let's get back on the field playing the games we love so much, even better, how about making some new friends in the process.

Welcome to the River Dell All Sports Summer Camp!

Our main focus is to keep our campers engaged with fun sports and exciting activities. Let us share our passion of sports with you and your family this summer!
